

ROSCOE VILLAGE NEIGHBORS ZONING AND LAND USE COMMITTEE LEARNING MORE ABOUT CHICAGO ZONING ON THE INTERNET

Your Aldermen

1st Ward (the north side of the 2300 block of West Belmont):

Alderman Manuel “Manny” Flores (<http://www.flores1stward.com/>)

32nd Ward (the vast majority of Roscoe Village):

Alderman Scott Waguespack (<http://www.scottforchicago.com/>)

47th Ward (the north side of the 1800 through 2300 blocks of West Cornelia, and all addresses north of there): Alderman Ameya Pawar (<http://www.ward47.com/>)

The City Council Committee on Zoning

Committee Chairman: Danny Solis of the 25th Ward (<http://ward25.com/>)

Committee Meeting Dates and Agendas:

The Chicago City Clerk (http://www.chicityclerk.com/committee_meetings.shtml)

publishes the Committee’s meeting dates as they received from Alderman Banks’ office.

The Clerk generally publishes the agenda for each meeting one or two business days before each meeting. You can also call or email Alderman Daniel Solis’ office

(<http://ward25.com/>) directly for meeting dates and agendas.

The City’s Department of Zoning

Department Home Page

(<http://egov.cityofchicago.org/city/webportal/portalEntityHomeAction.do?entityName=Zoning&entityNameEnumValue=45>)

Online Zoning Map (<http://maps.cityofchicago.org/website/zoning/index.html>): The online map has a variety of search and informational features; there’s no substitute for simply experimenting with them yourself. To see the boundaries of the Roscoe Street Special Character Overlay District, click the “Zoning” tab in the upper right of the map screen and then check the “Special Districts” box under that tab. To see aerial images of the area shown on a map screen, click the “Images” tab in the upper right of the map screen and then check the “Aerials” box under that tab.

Online Zoning Ordinance: Go to the Department’s home page, and then click the “Ordinance Text” link on the right side of the page.

The City’s Department of Buildings

Online Building Permit Status System (<http://webapps.cityofchicago.org/DOBWeb/>)
